

Meet the Manufacturer

We are exhibiting our fashion knitwear and accessories range at Meet the Manufacturer from 23rd - 25th May 2017. Please come and visit us on stand K1.

Charles Kirk have been manufacturing garments on the Sussex coast for over sixty years and started out by producing ladies blouses, suits and knitwear for the fashion market, before specialising in school knitwear.

Today we are returning to our heritage by offering a range of fashion knitwear and accessories, inspired by our seaside location and **Made for the Adventure of Life.**
