

Make it British Live!

We are exhibiting our accessories and homewear ranges at Make it British Live! from 23rd - 24th May 2018. Please come and visit us on stand J1.

Charles Kirk have been manufacturing garments on the Sussex coast for over sixty years and started out by producing ladies blouses, suits and knitwear for the fashion market, before specialising in school knitwear.

Today we are returning to our heritage by offering a range of fashionable accessories and homeware, inspired by our seaside location and **Made for the Adventure of Life.**
