

Charles Kirk Cushions

Knitted Cushions

Our knitted plain cushions come with a back trim in the same colour, with the same coloured buttons.

Trimmed thick stripe cushions come with a back trim in a matching colour to the front stripe, with buttons matching the main cushion.

These cushions are the perfect place to collate all your child's badges and achievements, which in turn creates a great record of their time at school, giving them something to look back on for years to come.

Sewing on fabric badges such as swimming, sporting or house colours, brownies, cubs and choir, as well as pinning on metal badges such as year leader, captain or prefect, will make a great addition to any of our cushions and makes each unique and personal.

All our cushions are manufactured at our factory in Sussex, in the UK.
